Omar Maher Software Engineer

omar.shabour1@gmail.com (+20) 1122943567 Alex, Egypt

Summary

Full Stack Developer specializing in **React.js, Node.js**, and **Nest.JS**, with hands-on experience building scalable web applications and **RESTful** APIs and **GraphQL** APIs. Skilled in developing responsive frontend interfaces, robust backend services, secure authentication systems, and database architectures using **SQL** and **NoSQL**. Experienced in building production-ready applications following clean architecture principles and modern full-stack development practices.

Professional Experience

Full Stack Software Engineer (Intern)
Tamkin Digital Solutions
08/2026 – 10/2026 | Remote

- Developed the "Herfa" application, leading the **Nest.JS** backend development and contributing to the **Next.js** frontend.
- Built scalable RESTful APIs and integrated server-side logic to ensure high performance and seamless user experiences.

Full Stack Software Engineer (Intern)
Ibn Sina pharma
03/2026 – 05/2026 | Cairo, Egypt

- Provided technical support and maintenance for web applications built with **React.js** and **Nest.JS**.
- Troubleshot, debugged, and resolved frontend and backend issues to maintain system stability and optimize functionality.

Projects

CRM
07/2026 – 10/2026
Tech: Node.js • Nest.Js • PostgreSQL • GraphQL

Thalorix
09/2025 – 03/2026
Tech: Nest.JS • MongoDB • JWT • OTP

E-commerce platform
06/2025 – 08/2025
Tech: NestJS • MongoDB • JWT • Multer

Lime Chat (Chat App)
Tech: Node.js • NestJS • Socket.IO • MongoDB

Skills

Technical Skills

- **FrontEnd**: React js
- **Backend**: NodeJS - NestJS -REST APIs - GraphQL- JWT - bcrypt
- **Database:** PostgreSQL - MongoDB
- **Tools:** Git - GitHub - Postman - Swagger - Docker
- **Programming:** JavaScript (ES6+) - TypeScript

Soft Skills

- Problem Solving
- Debugging
- Team Collaboration
- Fast Learning

Education

Computer Science (2.98 GPA)
CHI
2022 – 2026 | Cairo, Egypt

Courses

FrontEnd (React.JS & Next.JS)
Route
08/2025 – 11/2025

NodeJS (Express & Nest.JS)
Route
04/2025 – 07/2025 | Alex, Egypt

Languages

English — Conversational

Arabic — Native/Bilingual
